SCRIP

A \$200 profit threshold must be earned by each family for the school. After the threshold is met, 75% of any additional profit can be applied to tuition. You may choose not to participate in the SCRIP program by submitting a fee of \$300 before July 1, 2008. If you do not reach your threshold, you will be responsible for paying the difference between what you've earned and \$300.

PERSONALLY DONATED ITEMS for fundraising events can earn ½ hour for each \$25 value donated based upon the actual value. **Please note: procured items do not count as personally donated items.**

Hours: A minimum of **30 hours** are required, of which **5 hours** must be earned at the Silent Auction. No transferring of hours between families will be permitted unless approved *in advance* by the PC Board. Hours can be earned *only* by parents, stepparents, grandparents, and/or legal guardian. Hours for any fundraising event need to be turned into the office no later than 30 days after the event. Hour slips are located in the school office. Plan A families agree to pay \$50 for each unearned hour below the required 30 hours. **Unearned Silent Auction hours will be charged \$100 per hour.** Hours can also be earned at the Basketball Tournament and the OLF Celebration. Come to Parent Club meetings to find out more about earning hours at fundraisers. One hour per family can be earned for each Parent Club meeting attended in full.

TICKETS: Tickets for fundraisers that are distributed equally to each family **must be sold and the money returned by the week prior to the event.** Money must be in an envelope with your name and the amount clearly marked on the outside. **Failure to return money for tickets/calendars by due date will result in a finance charge equal to the amount of the ticket/calendar. This finance charge will be assessed monthly until the receipt of funds due.**
