

Mission Statement

Our Lady of Fatima School is a ministry of the Catholic community of St. Joseph Parish. Together with the support and cooperation of the parents as the primary educators of their children, the faculty and staff of Our Lady of Fatima School are dedicated to the teaching mission of the Church. Through a program of spiritual formation, comprehensive academics, and community service, students are prepared for a life that will positively impact the community through their infusion of Catholic values into everyday life.

Philosophy Statement

Our Lady of Fatima School exists to strengthen our parish community through the spiritual, intellectual, physical, emotional, social, and aesthetic formation of our students. Through a rigorous and comprehensive academic program infused with Gospel values, Our Lady of Fatima School students are able to experience opportunities for worship, service, and moral formation and master academic content. We foster an environment where students are given opportunities to reach their greatest potential and to recognize their unique talents and abilities. The students are empowered to face the challenges of modern society and use the skills they have developed to become leaders committed to justice, peace, and love.
